Re: Notice of transfer of Cambrian customers to PPL Prism, LLC

Dear [name of customer representative]:

We are pleased to inform you that PPL Telcom LLC's subsidiary PPL Prism, LLC will become, effective on March 31, 2003, the provider of the telecommunications services that you are presently receiving from Cambrian Communications LLC. This transfer of your service from Cambrian to PPL Prism is connected to the sale of substantially all of Cambrian's assets to PPL Prism.

PPL Telcom is a facilities-based telecommunications carrier headquartered in Allentown, Pennsylvania. It is a subsidiary of the multibillion dollar energy and utility holding company, PPL Corporation, and is fully committed to the telecommunications industry and to providing your business with the same standard of service through PPL Prism that you came to expect from Cambrian. Both Cambrian and PPL Prism are planning for the transfer of your service to be accomplished in a seamless manner.

Your Cambrian Sales Executive has already contacted you regarding the transaction with PPL and is ready to answer any questions you may have concerning the transition to PPL Prism. In addition, we wish to highlight the following points of relevance to the transfer:

- We presently plan to complete the transfer of your service effective March 31, 2003. Should the transfer be delayed, we will send you a follow-up notice of any later effective date.
- The rates, terms and conditions under your present service agreement will remain in effect following the transfer to PPL Prism and will be honored throughout its term. Notification to you of any future changes will be by letter.
- You will not be responsible for any charges associated with this transfer. That will be PPL Prism's responsibility.

February 27, 2003

- Because your service is subject to an agreement that Cambrian is legally transferring to PPL Prism, should you change providers during the term of the agreement, you may be subject to contractual penalties.
- Until the transfer of service is effective, Cambrian will continue to handle your service requirements and questions. Should you have any questions about PPL Prism or concerns relating to your service transfer, you may also reach PPL at its toll-free line. 1-800-390-6094.

Thank you for your business with Cambrian Communications. We look forward to ensuring a smooth transition to PPL Telcom.

Sincerely,

Chris Tarbert
